High Definition Vending
So brilliant, so efficient and so exclusive - LED lighting is standard only in The Premium Collection. Highlight your product to it's best advantage and sell up to 12% more!

Save time and money - the greatest technology in vending! LED lighting lasts up to 50,000 hours. That means less waste in the environment and less power consumption at the location.

Productivity
Change all your pricing, on all your machines, from your PC!

Sound good? The Premium Collection can make it happen with the Seaga Smart Card and Seaga Smartware software. Change prices, settings, deals and more and give your route driver the card - instant download! Works the opposite, too - diagnose and troubleshoot right from the card!

Guaranteed Vend
• Improve Reliability
• Re-credits or refunds
• Consistent home position
• Sensor self-calibration
• Reduces service calls
• No give-away products
• Keeps track of vends

Health Conscious
Today's healthy lifestyles are creating a demand for healthy vended items, too. Keep your customers safe and give them the selection they want. Vend milk, yogurt and dairy products without concern. The Premium Collection has complete health and safety control for perishable products.

Increase Sales
80% of employees say that they consider on-site offerings of snacks and beverages a benefit to them. Encourage their purchases by using the Jackpot settings on The Premium Collection! Meal deal settings are also available.
